## Leadership Training Weekend 2019

Leadership Training Weekend, also known as LTW, is a weekend at the beginning of the AY year dedicated to teaching newly elected executive members more about the program and what their roles and responsibilities as executive members are.

From September 13-15th, two post executive members from each Post from around the province gathered to learn more about their roles and how to become effective leaders. Throughout the weekend we participated in many activities including TD Tree Days, LKO planning, Module 1 of our new Public Speaking program, Communication Colours activity, leadership education sessions, and much more! The executive members also learned about the key roles and responsibilities of the executive members from their Post not in attendance to bring back this information and share with them. A special thanks to all our guests from that weekend for donating their time to help develop our skills!

### COMMUNITY PROJECTS

This past Leadership Training Weekend, your post executive members took part in the event *TD Tree Days*. Look to page 2 for more details on this marvelous project!

### EDUCATION SESSIONS

This past LTW, your post executive members also partook in 4 education sessions surrounding life skills and knowledge. See page 2 for more details

### WHAT'S COMING UP?

This year's Leadership Kick-off Weekend is on the way! Don't forget that your final registration fees are due in to the Provincial Office by Friday, October 18th!

# COMMUNITY PROJECTS

As our community project for Leadership Training weekend, AYers from across the Province participated in TD Tree Days held in Mount Pearl. TD Tree Days is an annual event where TD branches in conjunction with municipalities from across the country plant trees and shrubbery to improve and create green spaces in the towns and cities they serve. This year, AYers along with members of the community planted 450 trees at the Team Gushue Complex in Mount Pearl. The project began in 2010 in cities and towns around the country. They set a goal of planting 1 million trees by 2030, to date they have planted over 400,000. By participating, AYers were able to engage with the communities that host them year round. In total 16 AYers and 10 Post Advisors participated. The event was a huge success!

## Your Monthly AY Joke....

I went to the zoo the other day and there was only 1 dog in it. It was a shitzu.

LTW 2019

## EDUCATION SESSIONS

Our AYers also did a life skills session! They learned how to change tires with Larry Chafe, fold laundry with Walter Hammond, make grilled cheese sandwiches with Anna Jarvis and even learned about their rights with Kate Hodder!

Everyone had a blast and got to take home wonderful skills to help them in their everyday lives!

## WHAT'S COMING UP?

Hey AYers!

Don't forget that your Leadership Kick-Off Weekend final registration fees are DUE to the Provincial Office by October 18th!

We look forward to seeing you at this year's LKO! Only 17 days to go! Let the countdown begin!

Flash from the past!

Provincial Executive 2012-2013  
*Can you name them all?*
